

CLASSROOM SPOTLIGHT

Third Grade

The Holy Family Third Graders are excited to be delving into topics such as energy and matter in Science, studying the states and learning to read a map in Social Studies, and continuing with addition and subtraction in Math. They are looking forward to learning cursive handwriting and doing multiplication and division.

The children are responsible for taking AR tests, and it is not unusual to see a third grader reading at lunch!

In the spring, the students are eagerly awaiting a field trip to the Kennedy Space Center.

Heard in the Halls...

What's Cool About Third Grade:

"We love to help care for Mrs. Galloway's pet guinea pig, Oreo."

"Third grade is tricky but fun!"

"I like making my own avatar for Class Dojo."

Mrs. Galloway has been a teacher at HFCS for the past 13 years. She began her teaching career at Holy Spirit and has been a teacher for 22 years.

In her free time, Mrs. Galloway loves to read and cheers for the Jacksonville Jaguars and the UCF Knights.

Mrs. Mulholland has been teaching at HFCS for the past 14 years. She began her teaching career at San Juan Del Rio and has been a teacher for 17 years.

When she's not teaching, Mrs. Mulholland loves spending time with her grandson. She also is a huge Florida Gator fan and collects shark teeth.

Mrs. Futch has been a Teaching Assistant at HFCS for the past 10 years, and this is her fifth year in 3rd Grade. She is also the ASC Director of Operations.

Mrs. Futch enjoys working with pottery in her free time and is generous to share this talent with the 2nd graders during their Holy Communion preparation when they paint their own chalices (provided and fired by Mrs. Futch!).

Keep reading for a special Thanksgiving feature...

We are thankful for our resource teachers!

From Art to PE and from Music to Spanish, Holy Family students are blessed to have talented resource teachers enriching their days. ***See if you can match the teacher to his or her hobby!***
