Holy Family Catholic School continues to have a tradition of inspiring faith and excellence in students since 2002. We offer a fully accredited, affordable education for children of all faiths and currently have an enrollment of 433 students in Pre-Kindergarten through 8th grade.

We are very proud of our students’ academic achievements at Holy Family. Our students are ranked above national average on the Iowa Test of Basic Skills, a national achievement test. Holy Family offers a number of opportunities for our students to excel beyond our campus. Our students’ achievements include Diocesan Science Fair winners in grades 6-8. Our students are NEFRSEF/State Science Fair winners. We are Diocesan winners in the Modern Woodmen Speech Competition and a National finalist has been a Holy Family student for the past two years. We are National and International Math Olympiad competitors, and participants in the Diocesan Brain Brawl. Holy Family is represented in the Duval County Math Counts competition and Scripps Spelling Bee. We have had winners in the Duval County Tropicana Speech Competition for six out of the previous eight years, including 2015. Our students are recognized at the state and national level for the Duke University Talent Search.

There are many benefits of attending Holy Family Catholic School. Our students participate in weekly Mass and receive Sacramental preparation for First Communion and Confirmation in 2nd and 8th grade. Our school also provides opportunities to give back to the community and support national and international needs through service projects throughout the school year. In 2011, Holy Family Catholic School inducted our first National Beta Organization to provide additional opportunities for service for our 7th and 8th graders.

In addition to excellence in academics, our achievements continue in sports and other programs. Our sports teams are winners in Diocesan and League titles in basketball, volleyball, and soccer. In 2015 the Holy Family soccer team won the tournament championship 4-0. In our physical education program, more than half of students in grades 3-8 have received the Presidential Fitness Award. Our students participate in the Diocesan Music Festival and local Art Shows. Students are offered several opportunities to display their leadership skills through Safety Patrol, Student Government, and National Junior Honor Society. Our students also have many extra-curricular after school activities available such as classes in art, karate, ballet, sports, and scouting.

Our students are well-prepared for the academic and social challenges of transitioning into Catholic, public, or private high schools. Diocesan records tell us that 99% of our Catholic school students will graduate from high school, 98% will go on to college, and 77% will enroll in four year colleges.

The benefits of giving your child a Catholic education at Holy Family are countless! Holy Family Catholic School offers your child a superior education in a secure and stimulating, faith-filled environment. Holy Family Catholic School encourages the spiritual, academic, social, and physical development of each individual child.
