### **Principal's Report: Mr. De Maio**

- We have a certificate of occupancy for the Parish Life Center. We are waiting for the furniture delivery before we begin some trial set-ups for the new lunchroom/cafeterium and classrooms. The goal is for students to eat lunch in the new cafeterium before

Spring Break. We are still waiting on finalization for the canopy and the removable barricade system.

- The lunch committee has met once and will meet again this week. They have received all the parent feedback from the lunch survey and are working on analysis and bids. Thank you to all parents for their feedback on the lunch survey. Please continue to send any feedback to the lunch committee. Our new lunch service will begin during the new school year.
- Spanish, Advanced Math, and Music are the three curriculums that will be moved to the Parish Life Center beginning in the new school year. The Parish Life Center will also house some of our social events and school activities.
- Thank you to parents for the feedback on the uniform survey.
- Measuring and ground prep have begun for the new funnel ball game on the upper grades playground.
- We now have a Tennis Club. A grant was provided to run the club and it will be a clinic for grades 1 and 2, intramural for grades 3 and 4, and a competitive club for grades 5-8. We are still working on court space for upper grades. The lower grades will practice in the school gym.

#### **Fundraising Report: Brett Bosworth for Christina Brownell**

- Our next Spirit Night is Wednesday, April 20th at Velocity Air Sports from 1 pm to 6 pm. The cost will be \$14 for one hour or \$24 for two hours. We get a percentage of all ticket sales.
- The "Chip in for Youth" program is a fundraiser for our school. If you buy tickets to the Players golf tournament, a percentage of the ticket sales will come back to Holy Family. You can find the information flyer in the daily email blast and use the special passcode to purchase tickets. These tickets will get you into all the headlining events.
